

Covius Names Yancy Riggs Vice President of Business Development, Asset Management, Auction and REO at RealtyBid

Denver—May 18, 2021— Covius Holdings, Inc., a leading provider of technology-enabled solutions to the financial services industry, announced that Yancy Riggs has joined the company's RealtyBid® unit as Vice President of Business Development, Asset Management, Auction and REO.

In this role, Riggs will be responsible for growing RealtyBid's relationships with leading servicers and helping them develop efficient strategies for managing and liquidating REO inventory.

Riggs joins Covius from CoreLogic where he was Principal, Business Development, responsible for leading the go-to-market strategy for Retail, Restoration and Franchise solutions. Previously, he was a Senior Account Manager within Black Knight Financial Services' Data & Analytics Division. "Covius has dramatically grown its client base and solutions over the last two years with a commitment to technology and data intelligence. It's great to be on a team that's as laser-focused on client needs as I am," said Riggs.

"RealtyBid's compelling innovation in data and analytics is reflected in increased investor site traffic. Similarly, these differentiators driving investor activity are being noticed by servicers as they prepare for an increase in inventory post-forbearance," said Chris Link, SVP, RealtyBid. "Yancy's proven consultative sales skills and experience working with large servicers will expand RealtyBid's presence in the auction space."
